

Rules for the «Zweite Chance» («Second Chance») promotion

General information

1. «Zweite Chance» is the name of a promotion offering prizes in the form of free Subito! plays worth a maximum total value of CHF 160,000.
2. Swisslos, a cooperative domiciled in Basel, is running this promotion in the territory of German-speaking Switzerland¹, Ticino and the Principality of Liechtenstein (collectively the Swisslos Contract Territory) in accordance with these Game Rules.
3. These Rules supplement the Rules of Play and the Terms of Participation for Subito!, as well as the Terms for Participation via Points of Sale.

Entitlement to participate

4. Participation in the «Zweite Chance» promotion requires prior participation, i.e. payment of a minimum stake of CHF 2 (two) in the Swisslos lottery product Subito! The player must be at least 18 years old in order to conclude a Gaming Contract for Subito! and thus participate in the «Zweite Chance» promotion.
5. Every Subito! play request submitted (entry confirmation ticket) between 26 August 2024 and no later than 08 September 2024 is automatically entered once into the promotion, in so far as the defined maximum number of free Subito! plays to be won has not yet been reached.

Plays that are subsequently cancelled are eliminated retroactively from the promotion and simultaneously lose any entitlement to a prize.

6. If the maximum number of free Subito! plays to be won is reached before 08 September 2024, the promotion will end automatically and participation will no longer be possible.

Amount of Subito! free plays

7. As part of the «Zweite Chance» promotion, free Subito! plays worth CHF 4 each will be issued for a maximum total value of CHF 160,000.

Draw

8. The Subito! gaming system automatically assigns the prizes to the individual plays based on predetermined rules, whereby every participant has the same chance of winning, regardless of the stake.

Entry confirmation tickets

9. In the event of a promotional prize (i.e. on every fifth play request without a win), this prize will be displayed on the lottery terminal of the sales outlet staff member or on the screen of

¹ AG, AI, AR, BE, BL, BS, GL, GR, LU, NW, OW, SG, SH, SO, SZ, TG, UR, ZG, ZH

the self-service terminal once the entry confirmation ticket has been checked. A second entry confirmation ticket showing the free Subito! play that has been won is then printed out. Free Subito! plays are entered into the first draw after the completed prize check and in the precise draw that it shown on the entry confirmation ticket. The quantity of numbers per Subito! pick (6–10 numbers) is assigned at random by the gaming system.
